RAPHOE VEOLET 37th is a good heifer that will sell bred to Woodshade Upright 2D. This Upright bull is already a proven sire of quality cattle. Since the service date is short the seller would like to take the heifer home and keep her until she is definitely safe in calf.

FIRST PREBLE COUNTY SALE

CORKY shown by Marcia Cox, Richmond, Ind., R. 3.

Bred by Miller Cattle Co., New Paris, Ohio.

Sire: *Farmingham Corrector*

Dam: *Raphoe Emily 7th*

Number of steers in show—60

25 Hereford 24 Angus 11 Shorthorns

Grand Champion over all breeds, Preble County Fair.

The reserve in this show was also a Shorthorn.

GRAND CHAMPION STEER at the Preble County Fair shown by Marsha Cox, Jackson Township. This good steer was bred by Marion Miller, New Paris, Ohio. The steer is related to a third of the cattle selling in this sale.

A WORD ABOUT THIS SALE

Study the pedigrees throughout this catalog. We know you will be impressed with the bloodlines that are represented. The six consignors are offering cattle that will do well for you.

All of the cattle selling are sired by the breed's best bulls, such as, Helfred Twilight by the International Champion, Sunray; Klaymor Nominee by the noted Klaymor Jewel; Farmingham Corrector, a great bull that traces to the Duke of Killearn; Maxwalton Beacon Leader and Maxwalton Promoter, two excellent breeding bulls by Criefvechter Beacon; Imported Crichton Broadway by Leopold; Uppermill Wanderer and Scotsdale Autocrat.

You can readily see the cattle are sired by the right kind of bulls. It always is quite an advantage to a buyer when he can buy a group of females by one bull.

The bred heifers are bred to good bulls. Two of the heifers in particular will sell bred carrying the service of Woodshade Upright 2d. He is already a proven breeding bull bred by George N. Fisher & Sons, Wapakoneta, Ohio.

As an added attraction there will be offered at least fifteen 4-H club calves. These calves are excellent prospects for 1953 club champions. They are sired by good bulls, will be broke to lead, and already started on feed. Nowhere in the State of Ohio will there be a more select group of already started 4-H calves to sell at auction this year.

We suggest that you attend this sale for buying opportunities.

STANDARD GUARANTEE

of

American Shorthorn Breeders' Association

1. Proper care must be given by purchaser to protect breeding qualities and health of guaranteed animals.

2. All bulls are guaranteed breeders, provided they are not allowed to serve when under 14 months of age, or allowed to run with the herd when under 20 months of age. In case of failure of a bull to be a breeder, notice shall be given to the seller within six months of the date of purchase, or by the time the bull is twenty months of age, if purchased under fourteen months of age.

3. With the exception of heifers sold under 14 months of age, all females are guaranteed breeders. Heifers under two years of age shall not be served by a heavy or old bull. Cows or heifers sold as bred, or safe in calf, not proving to be in calf must be reported to the seller within three months after date of sale. Females over 14 months of age sold open, not selling within six months after date of sale, shall be promptly reported to the seller.

4. When an animal fails to comply with the above guarantee, the seller has the option of substituting an animal of equal value to the satisfaction of the purchaser, or of having the animal returned for a trial for a period not to exceed six months. The expense of freight in such case is to be paid by the seller. If the animal is then proven to be a breeder beyond doubt it shall be returned to the purchaser at his expense. In case of dispute the return of the full purchase price, without interest, to the buyer will be considered full settlement and satisfaction of all claims. No charge for feed or maintenance shall be made by either buyer or seller. Salvage shall go to the seller. It shall be understood that the same guarantee given for the first animal shall likewise apply to any animal later substituted.

5. All animals are sold to comply with the laws regulating Tuberculosis and Bang's Disease of the state or country into which they may be shipped.

6. Certificates of registry and transfer will be furnished with each animal sold. A signed pedigree application for unborn calves should be furnished with bred females, showing names and record numbers of sire and dam, as well as service date.

7. Shipments will be made as soon as possible after the close of the sale, but at purchaser's risk of loss or injury after animal is bid off.
